

BCube

All the features of our bigger solutions

- Scaled for a smaller facility
- With a smaller price tag

Small skilled nursing facilities are wonderful. Everybody knows your name and the community feels more like a family. The only problem? The big sized nurse call systems are designed for and priced for larger facilities.

Don't worry, we got your back.

Introducing the BCube. It was made just for you.

Features:

- Solid-state all-in-one touchscreen
- Up to 128 beds and 4 nurse stations
- Big-time reports – even enterprise metrics across multiple sites
- Secure *RPhone* powered by *RCare Mobile*
- 2-way communication and “*I Got It*”
- Works with Dome Lights and Bedside Communicators
- Night-transfer schedule capability
- All-in-one *Accutech* wander management
- Yes, it even integrates with old pagers

And much more!

-
- **Better** technology
 - **Bigger** value
 - **Best** fit for you
